

I'm crying in my pillow
because I miss you
Every time I see you
I miss you
miss you

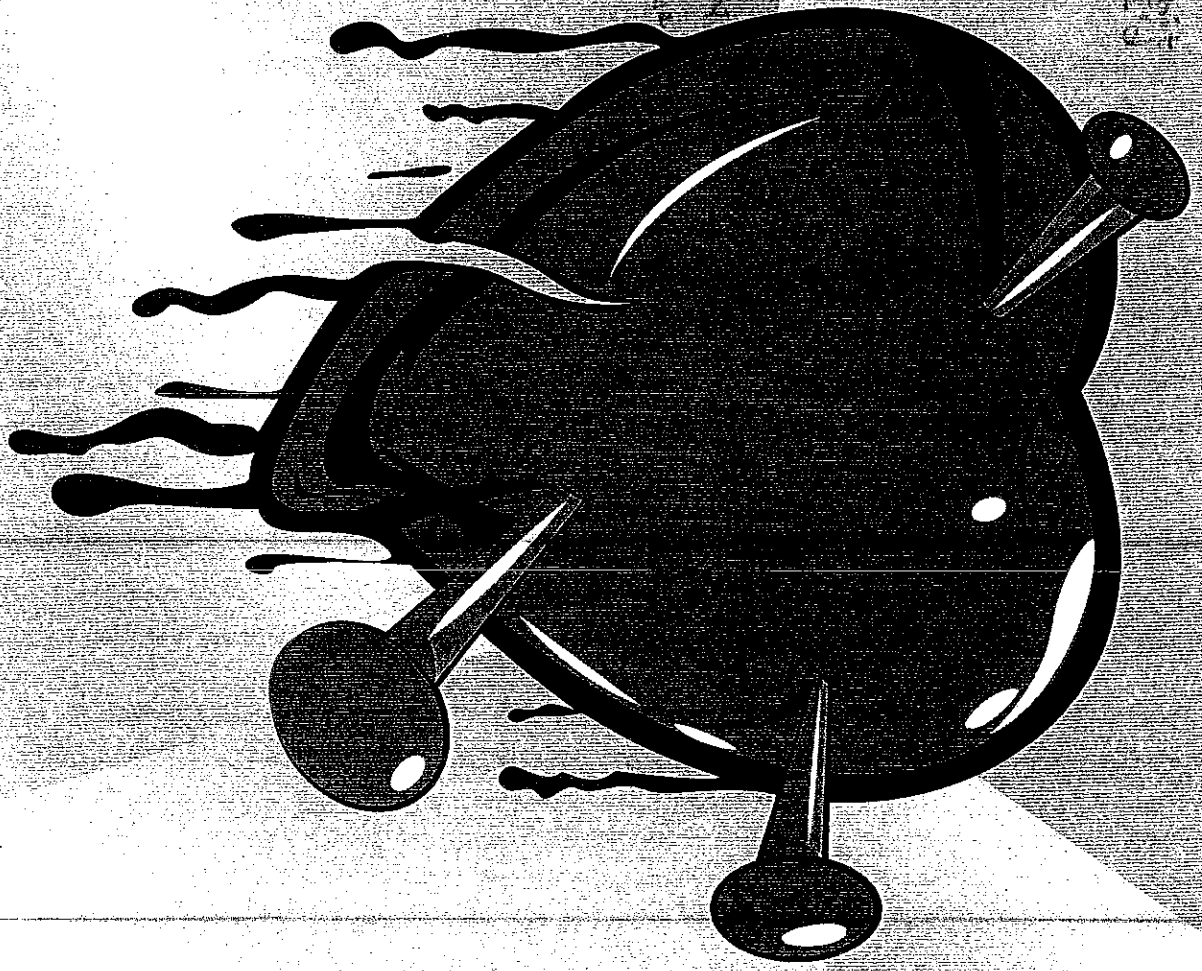

It's like a heart
In a box but you
know I'm joking but
don't get me wrong
I'm being true facts
I hate you but I love

you I love you and I
miss you I love you
and I miss you
I love you but I want
to be with you
I love you but I want
to be with you
I love you but I want
to be with you

I go on convalesce
with you but you
don't even know how
I feel about you
I'm all up in my
feeling's just
I'm all up in my
feeling's just

feeling's just
I'm all up in my
feeling's just
I'm all up in my
feeling's just
I'm all up in my
feeling's just
I'm all up in my
feeling's just

It all comes
from you

Its only been an hour, and
im falling for you.

im breathing really hard,
I need a rescue.

You've been talking to my
heart and I can't ignore this.

im loving the way youre looking
at me, just one kiss?

I start to lean in, but you turn away.

I thought you had feelings
for me but you won't stay.

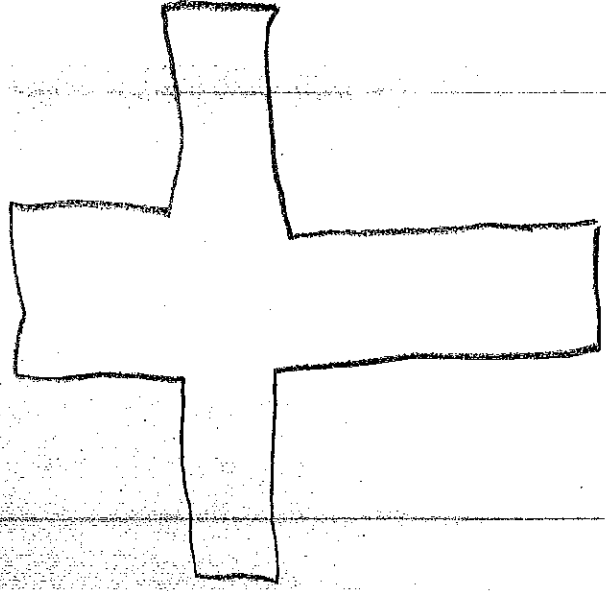

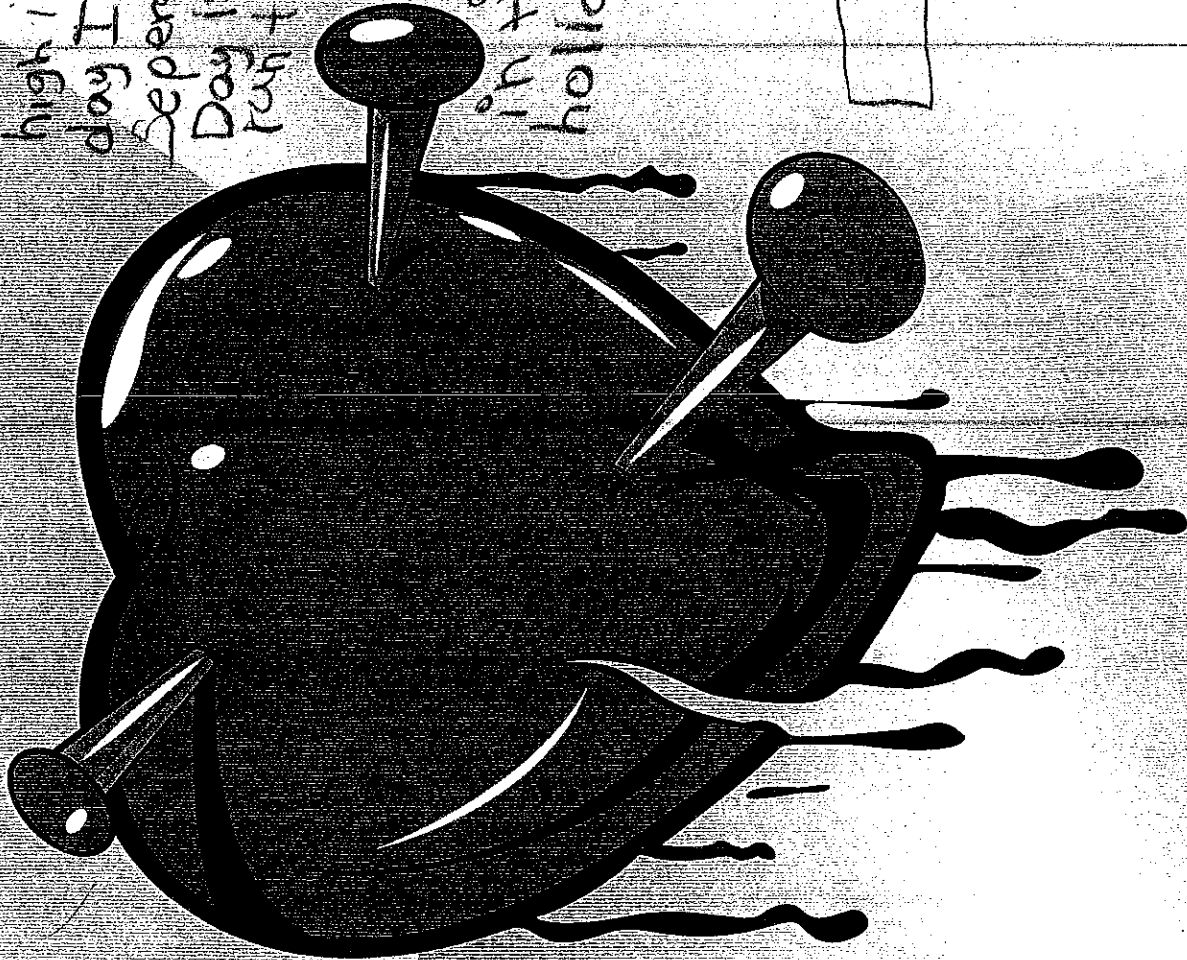

Now im sitting here alone,
cause you walked away.

But what can I say, your heart
was like a rainy day, cold and gray.

My hatred for
Valentines Day is extremely
high it is one of the most
day I want to die.
Separating from Valentines
Day is the only way to
run till the next day.

Killing this day is my
only mission so I
don't have to hide
in the shadows on this
holiday

Panic, trying to
help me, I'm

Praying, pleading
with somebody,

who will listen help me
just to let her
just this once.

She is ~~lost~~,
my age

Watching, guiding,
you watch me from

Somewhere,
showing me there is
strength within me
to go on.

Lyasha, you read,
be strong Lyasha, you
are ~~not~~ enough.
But your words
are ~~not~~ enough.

He is a little boy,

Crying,
comforting
you told me in your

arms,
kicking, patting
My back,

calming, ~~letting~~ me
to sleep. Tears

lining my
face.

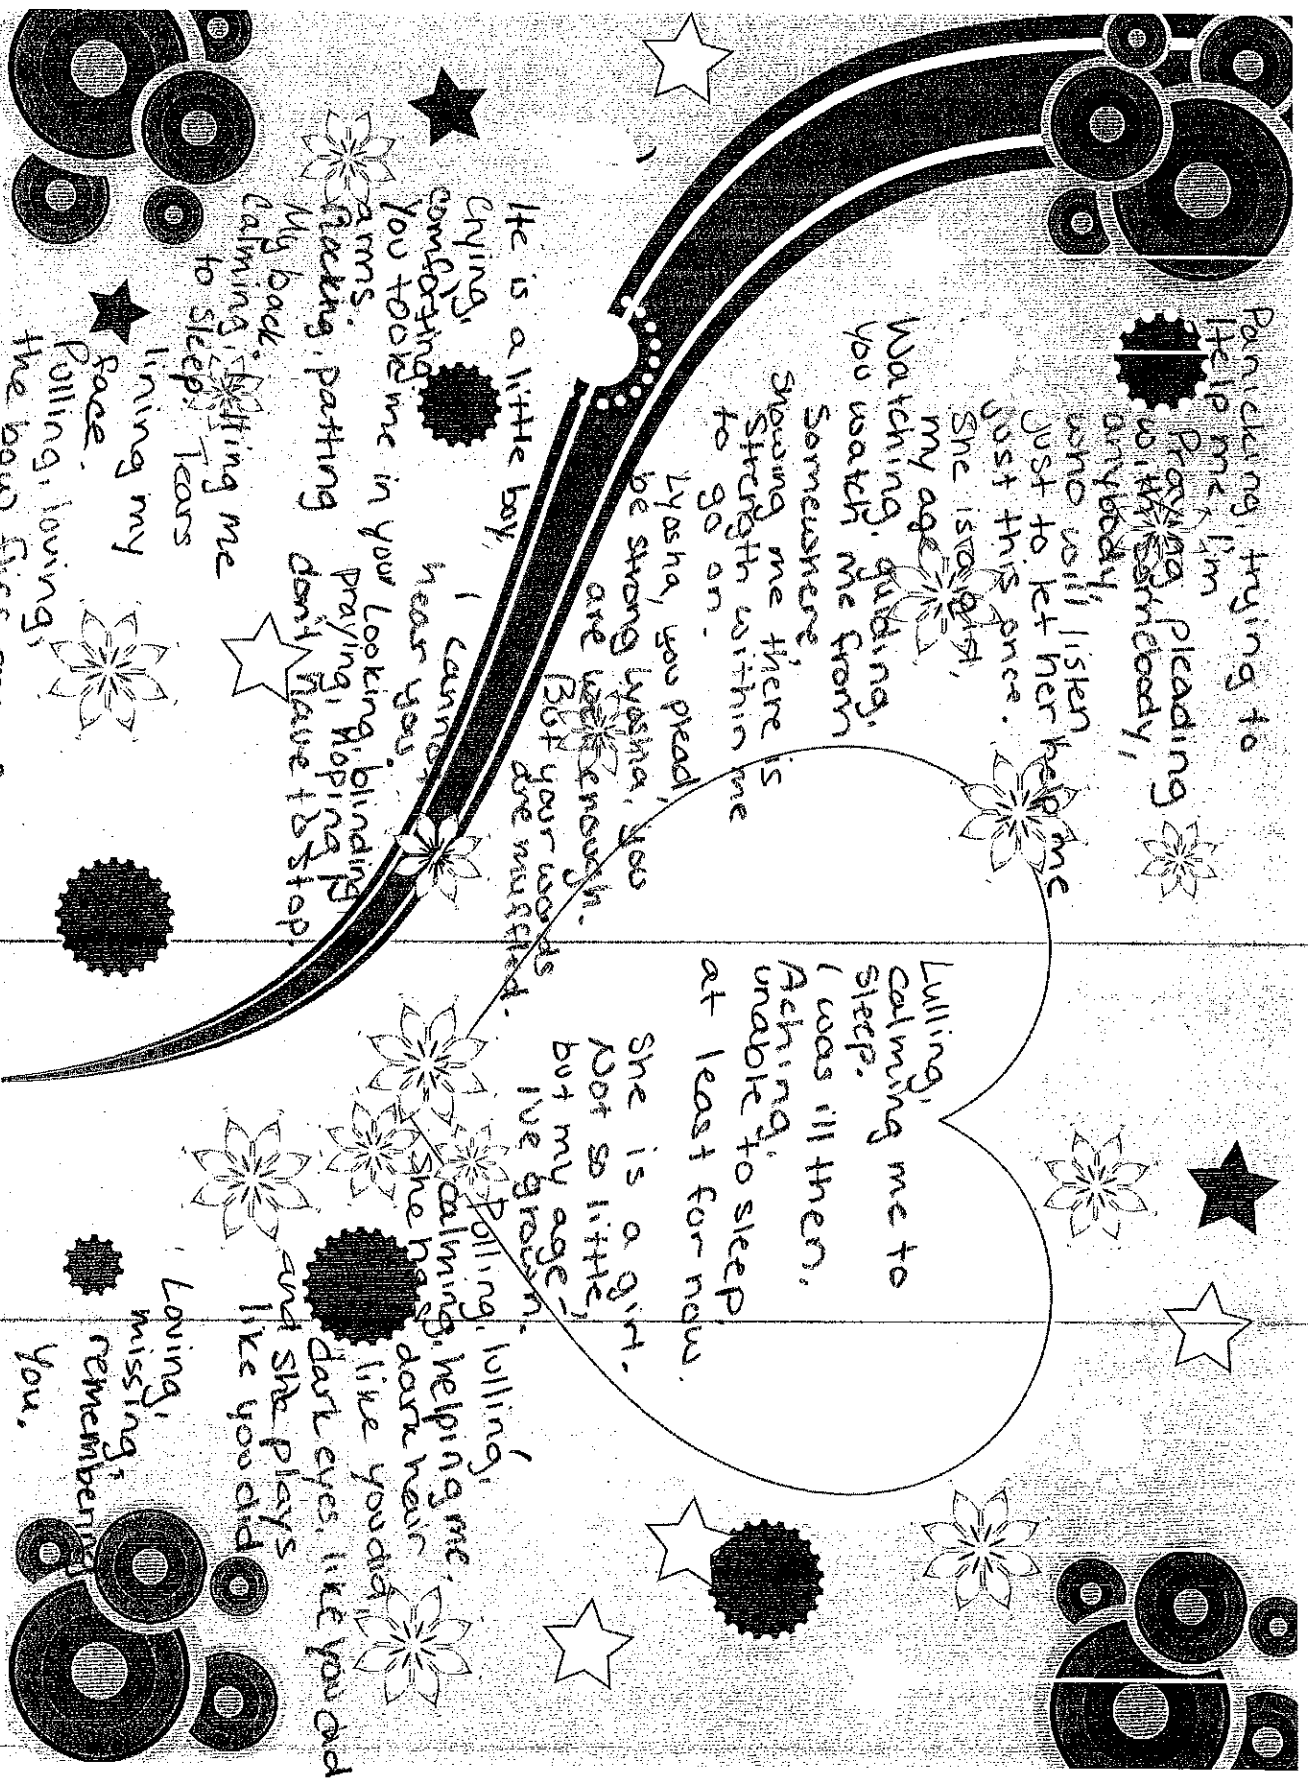

Rolling, loving,
the bow flies gracefully
over the strings

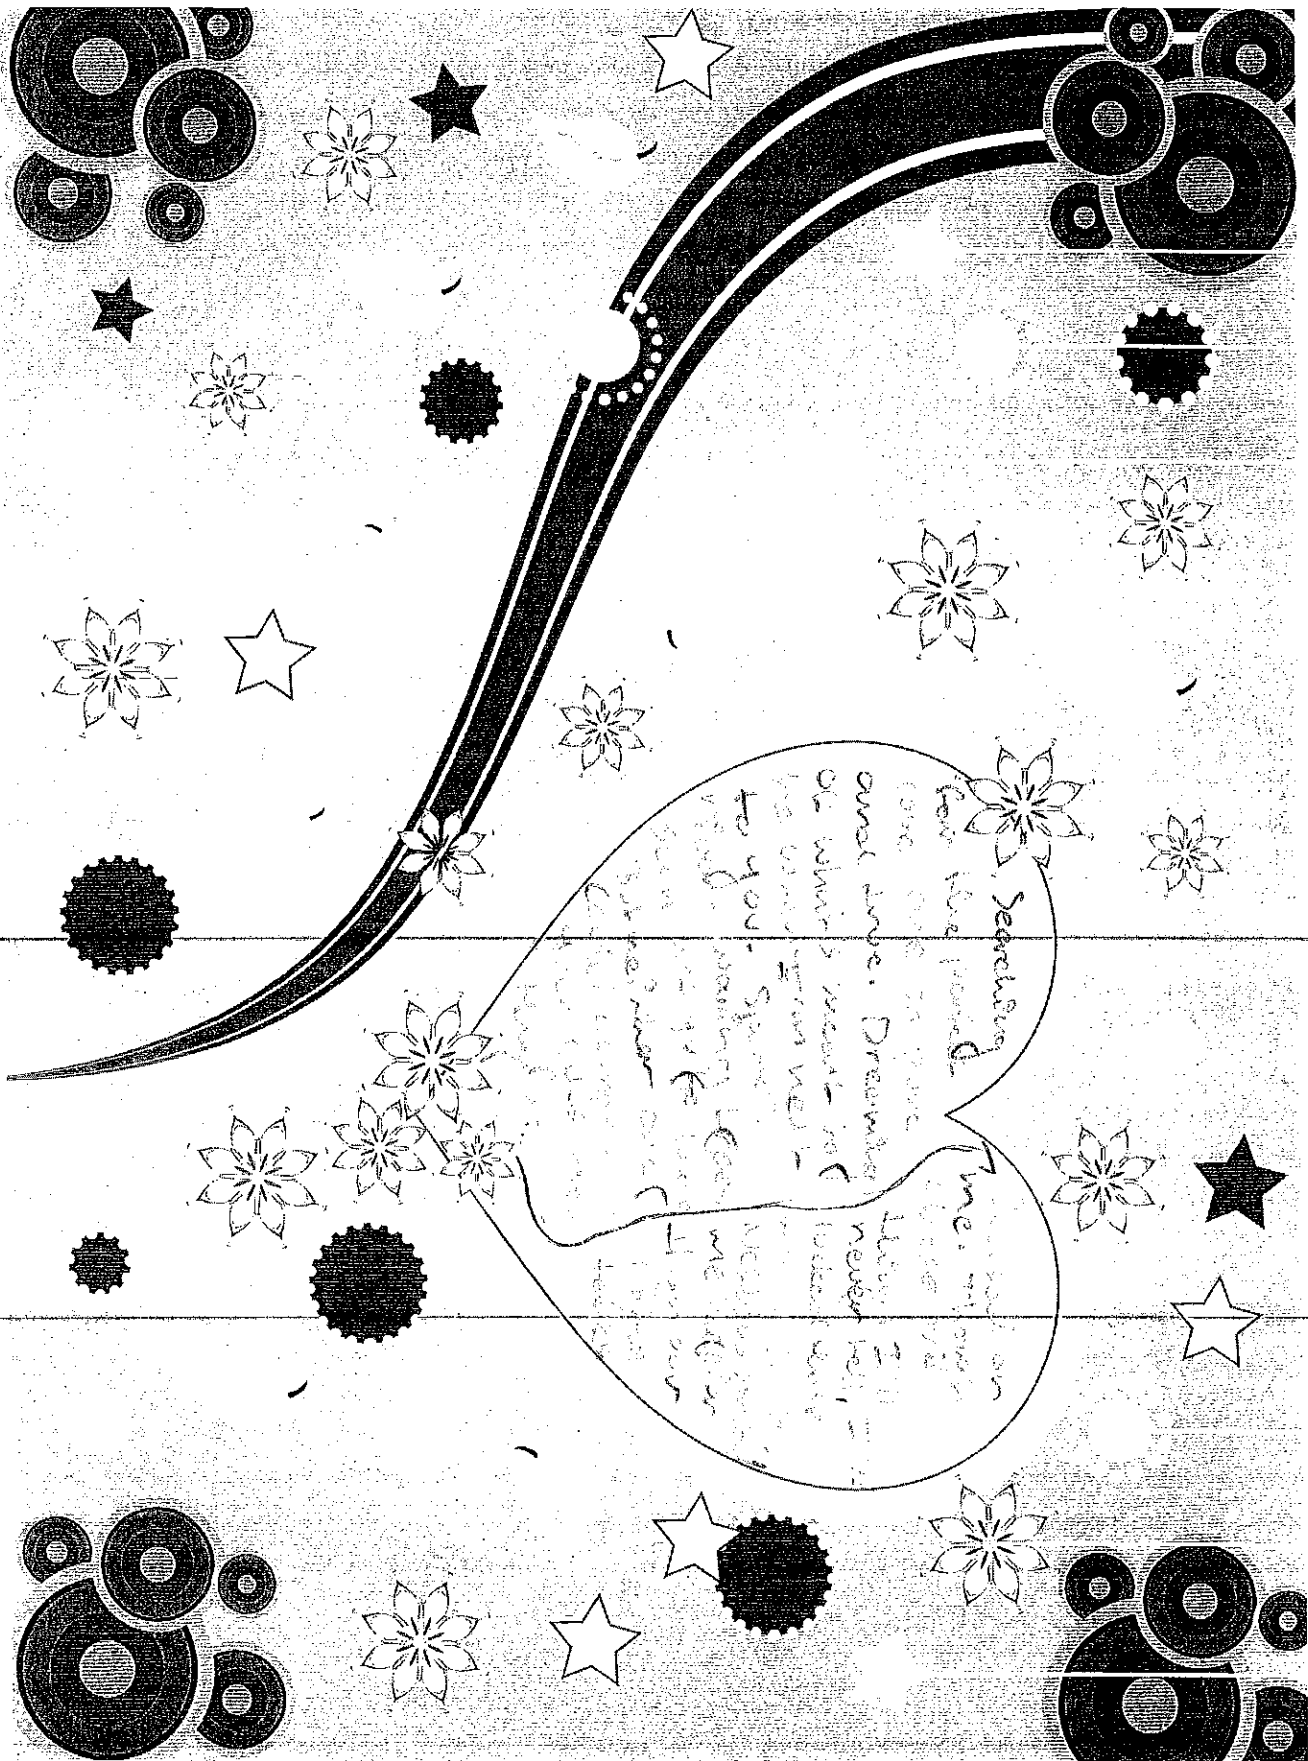

Lulling,
calming me to
sleep,
I was ill then,
Aching,
unable to sleep
at least for now.

She is a girl.
Not so little,
but my age -
I've grown.

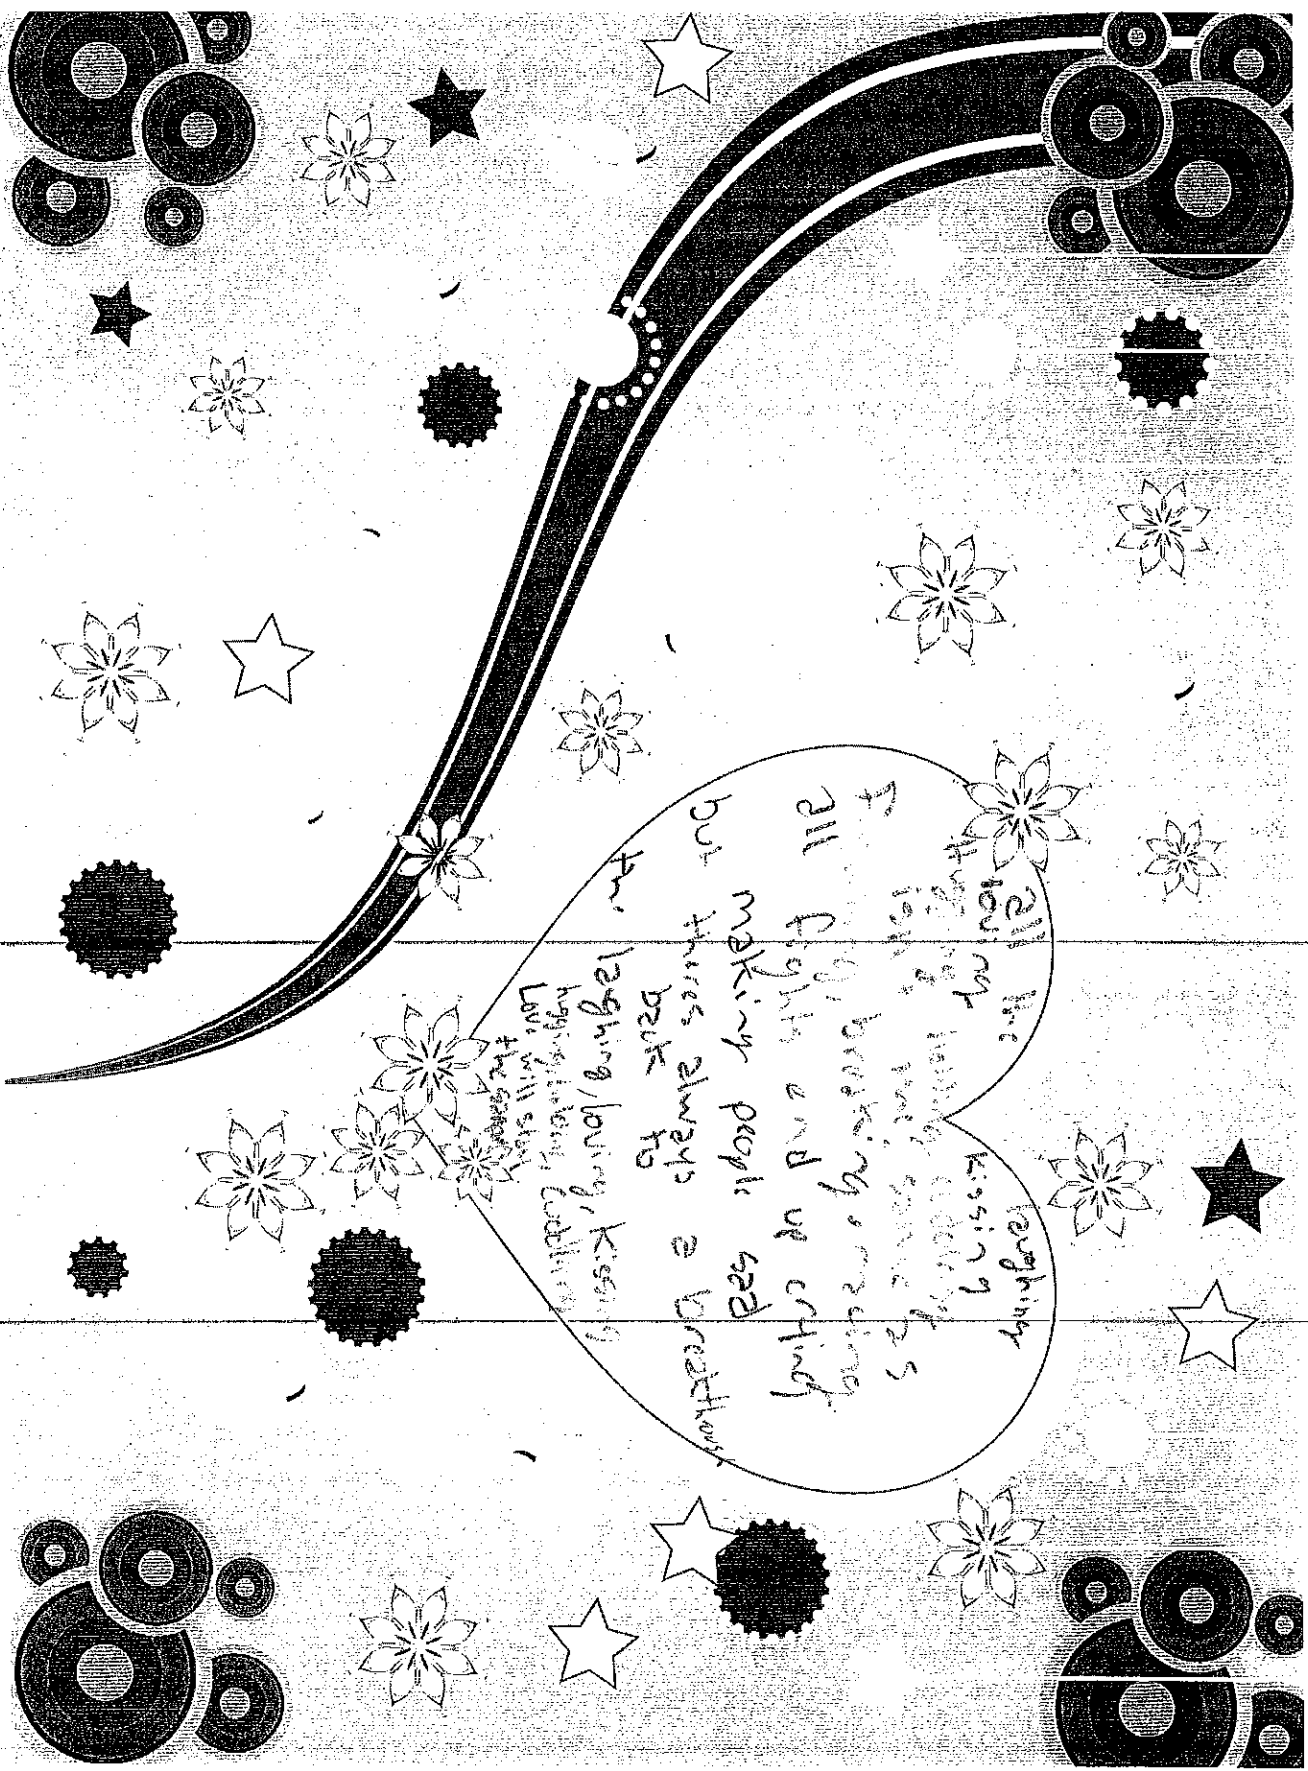

Rolling, lulling,
calming, helping me.
She has
dark hair
like you did,
dark eyes, like you did,
and she plays
like you did.

Loving,
missing,
remembering
you.

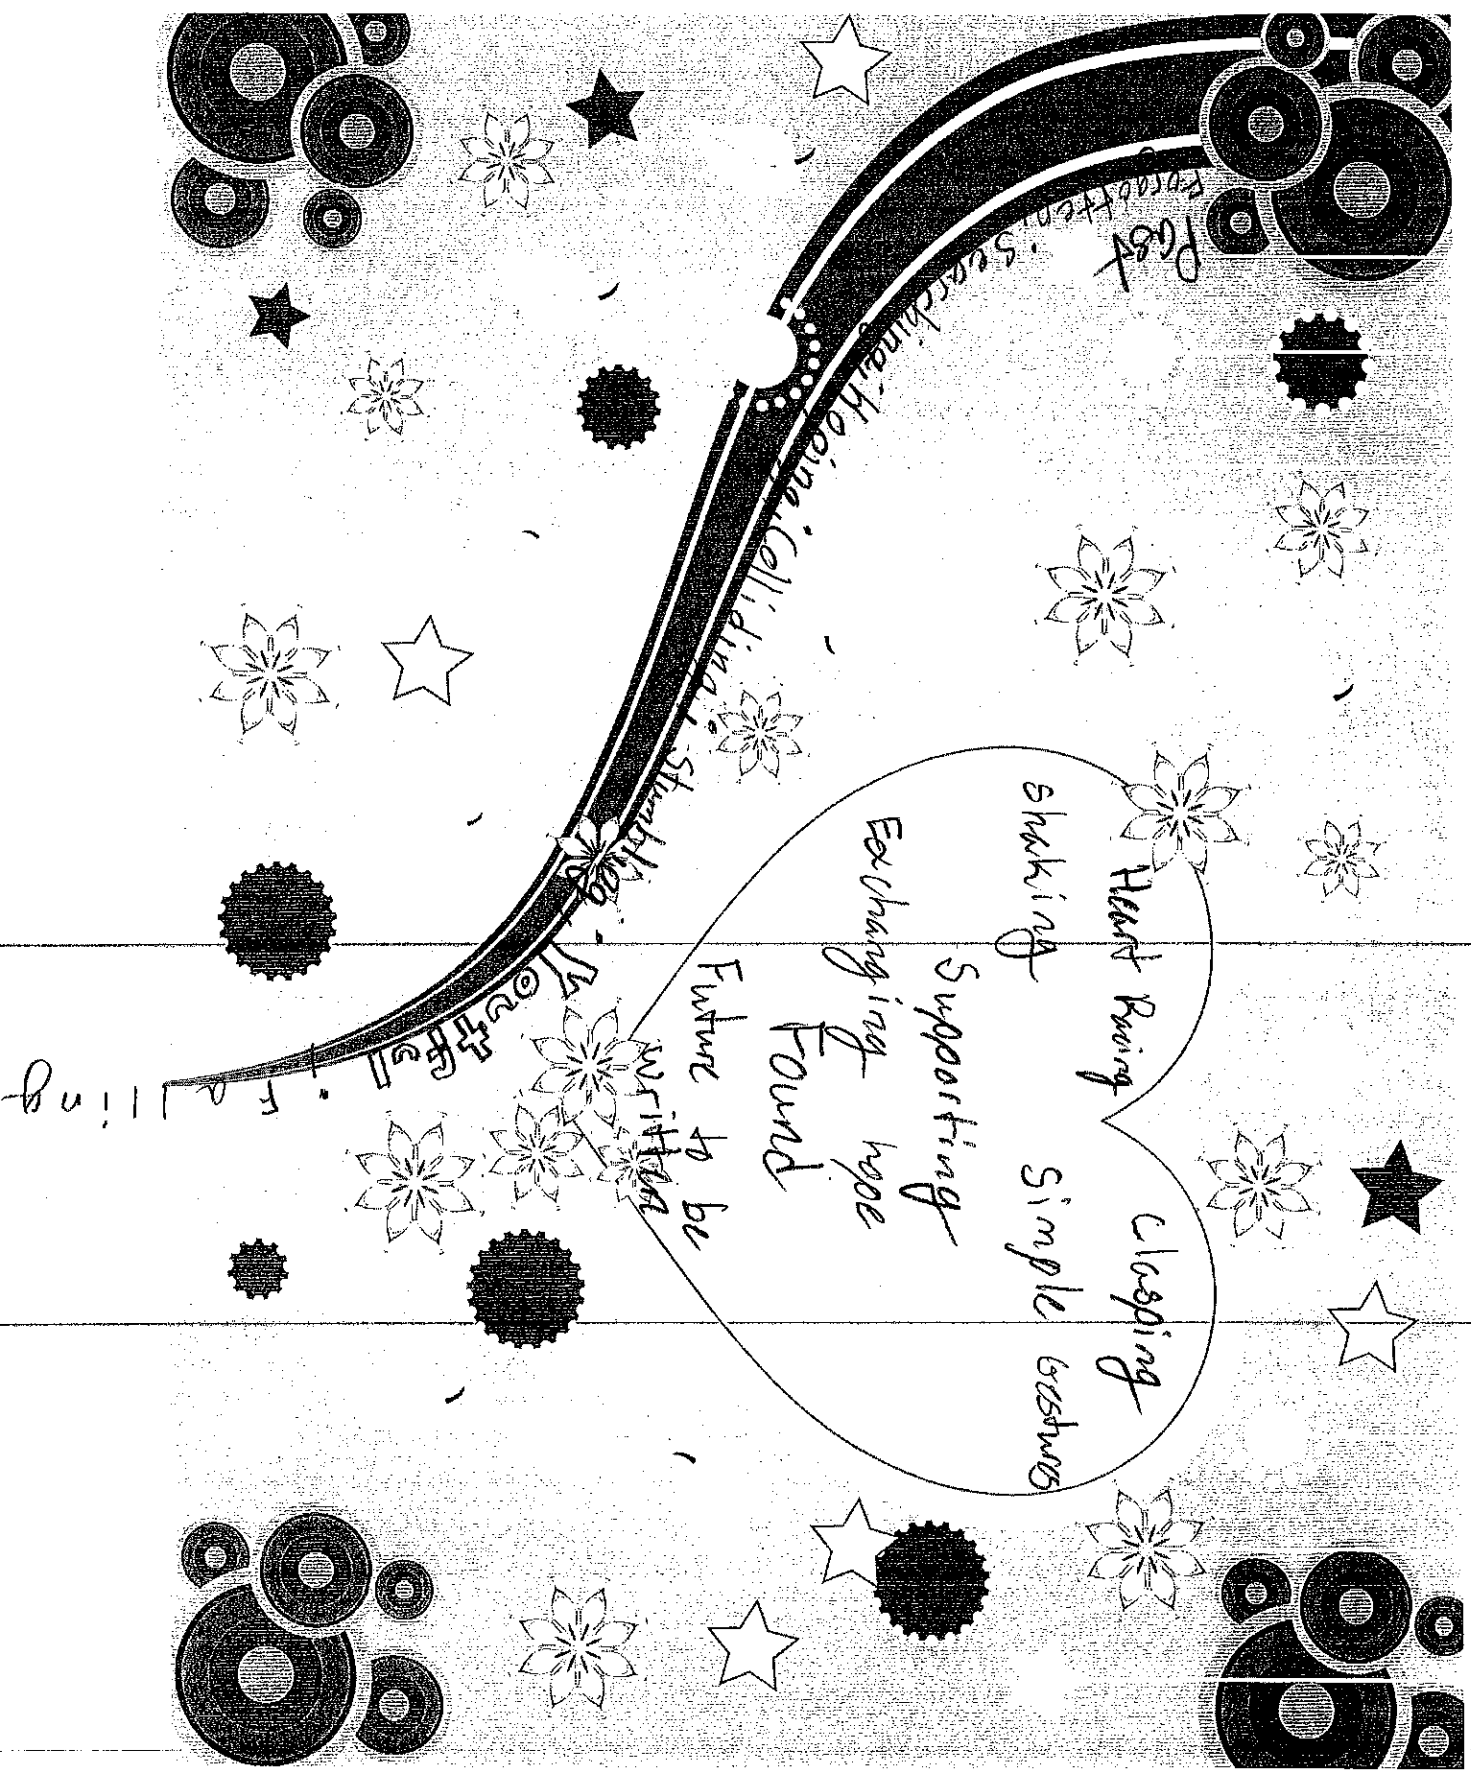

Searching for the good
over time. Dreamer
of what's meant to
be. You - Spine
I want to see
me again
never felt
I can't
I can't
I can't

Laughing
Kissing
All the
things
I love
about
you
are
what
I
love
about
me
but
there's
always
a
breathless
moment
when
I
forget
to
breathe
and
I
forget
to
love
you
but
there's
always
a
breathless
moment
when
I
forget
to
breathe
and
I
forget
to
love
you

Past
Forgotten

Searching
Hoping
Colliding
Stumbling

Future to be
written

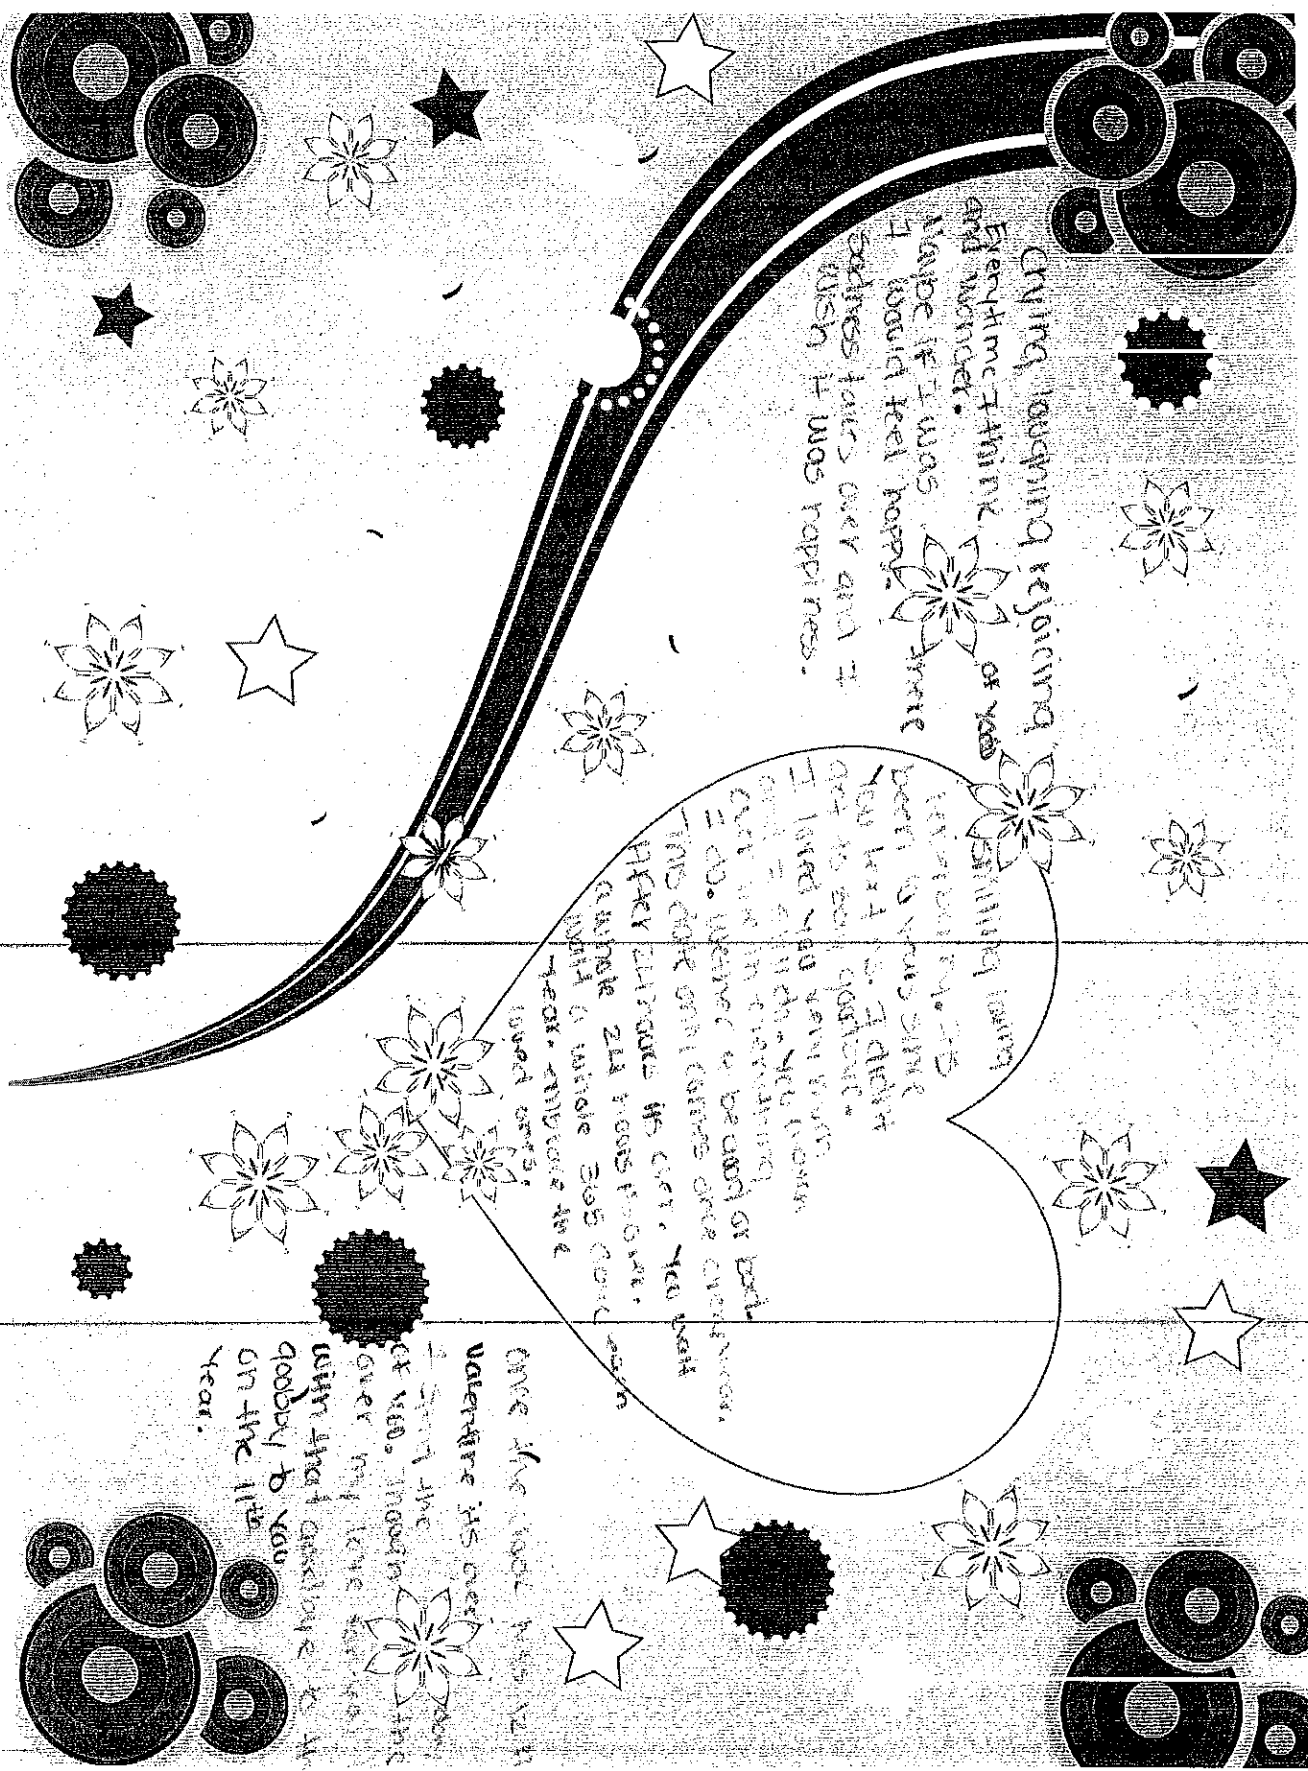

Heart Racing
shaking
Supporting
Exchanging hope
Found
Simple
Climbing
Crestures

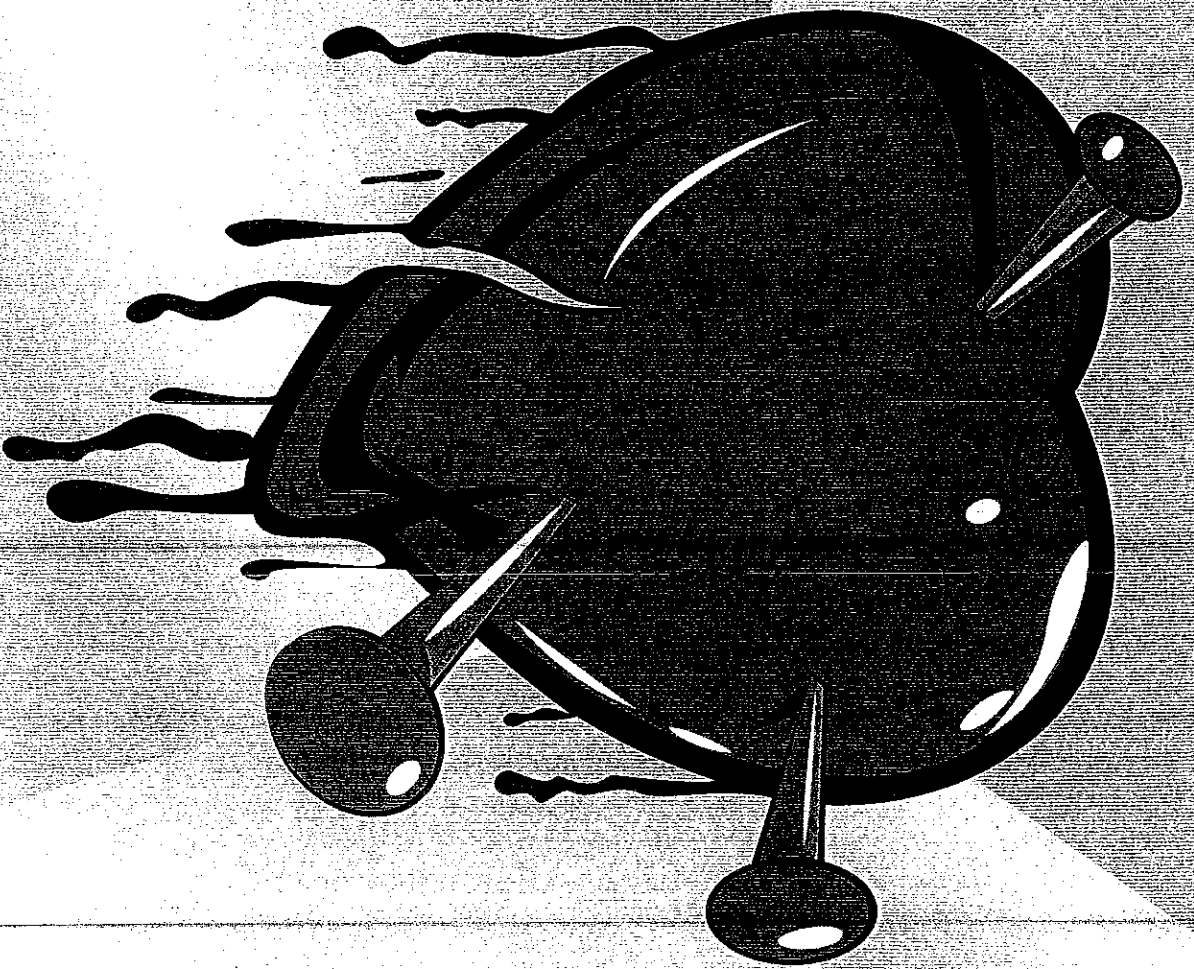

Falling

Crying, laughing rejoicing
Everytime I think
and wonder.
Maybe if I was
I would feel happy.
Sadness fades over and I
wish it was happiness.

Smiling loving
I've been crying. It's
been a year since
you left us. I don't
get as sad as before.
I loved you very much
and I miss you so much.
I can't get on in life without
you. I do. I've met a bearded or both.
This dog and I miss you
every day. I hope you are
happy and safe. I hope you are
with a whole lot of love
and a whole lot of love.
I love you.

Once the road was left
I venture his best
I spent the
of his. I hope
over my love
with that goodbye to
goodbye to you
on the 11th
Year.

Makes
go on a
rush so
isnt a
holiday
people
sick
valentine
even
holiday

valentines is stupid and leaves you clueless, drives you nuts and off the walls
for love, its nothing but a way for kids to get crazy and bounce
of the walls, all its is breaching others heart and dumping hearts
for new ones, its honestly is not a holiday it drives people insane

Please don't look at him, me and so I watch her dash it away like

flashed before my eyes.

This is about a woman who visited a friend of her friend I found climbing a

by the one I was trying to reach & so I had to of the other I checked the house

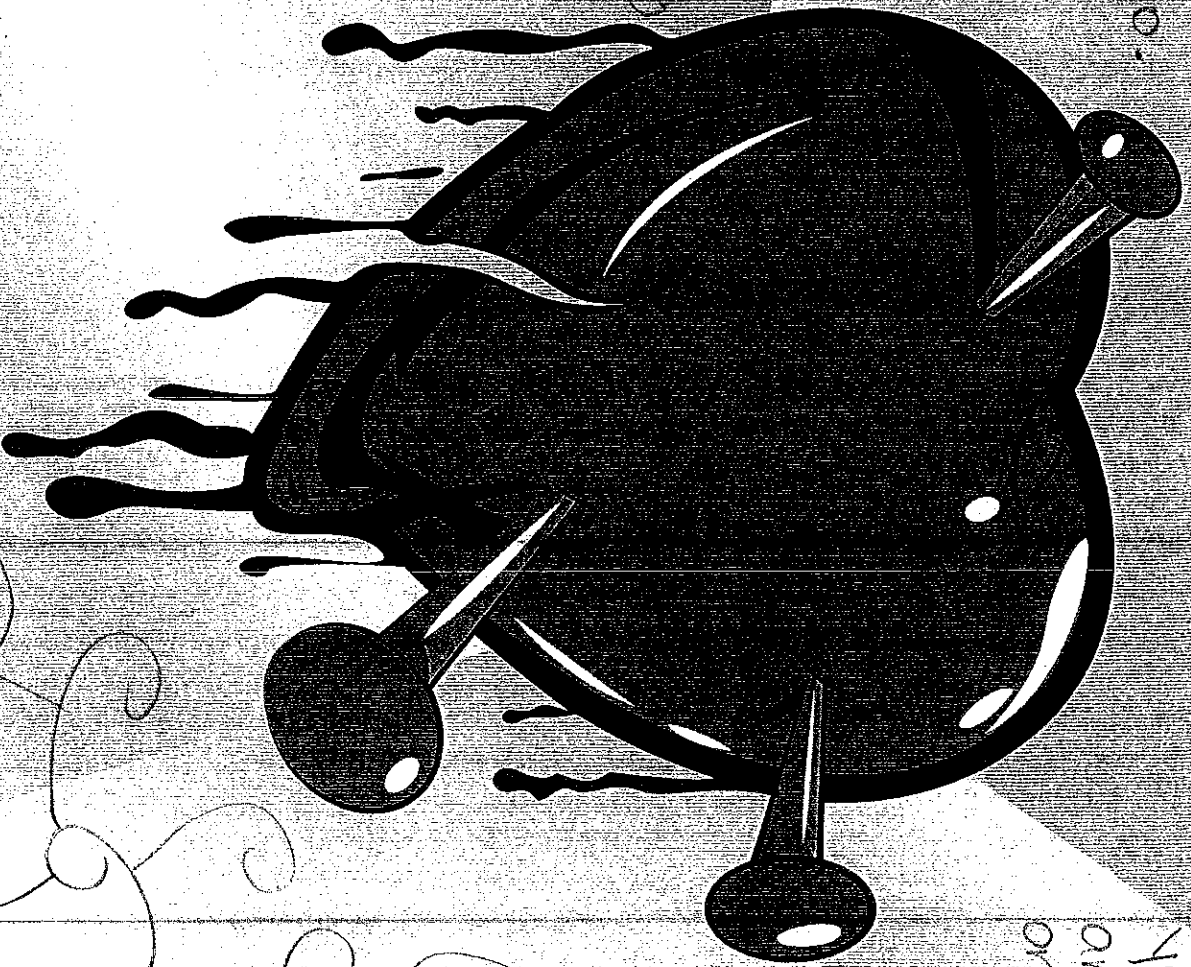

mountain of her only to be killed down left corner of darkness

Fighting you is not
what i want to do.

Chasing your love
is what i chose to
do.

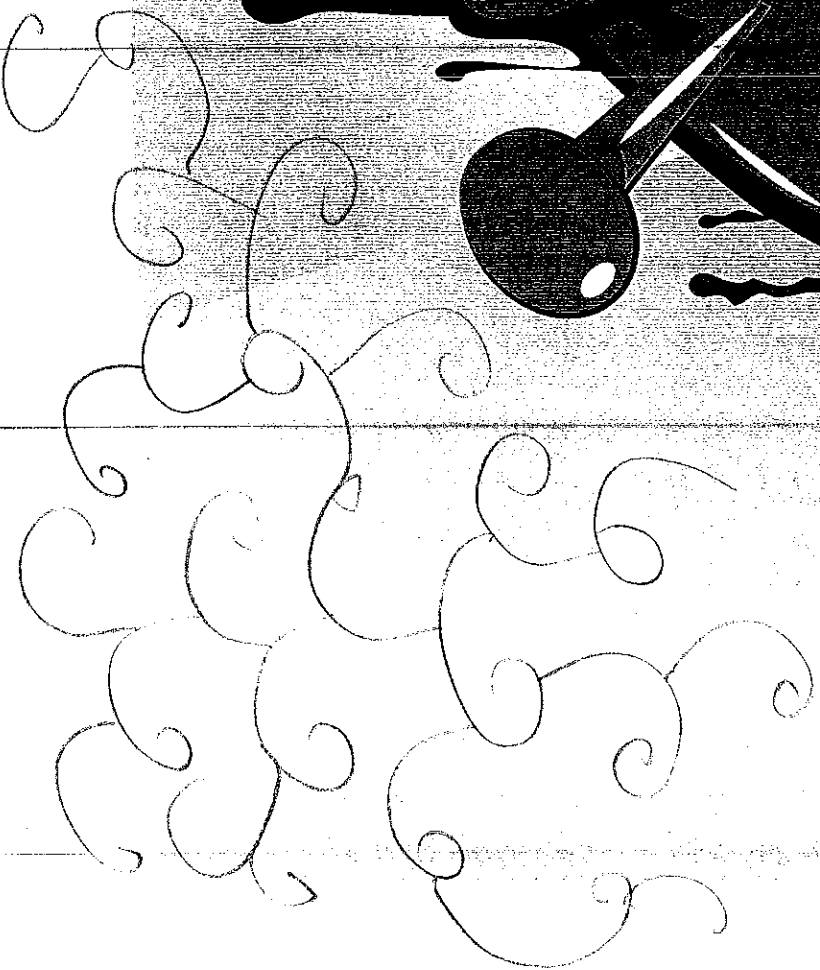

You always making
me laugh when we
in the field playing
freeze tag.

Always looking at
me funny when
am sad.

Your the one that
am loving and know
on else.

because you know
me better than
I know my self.

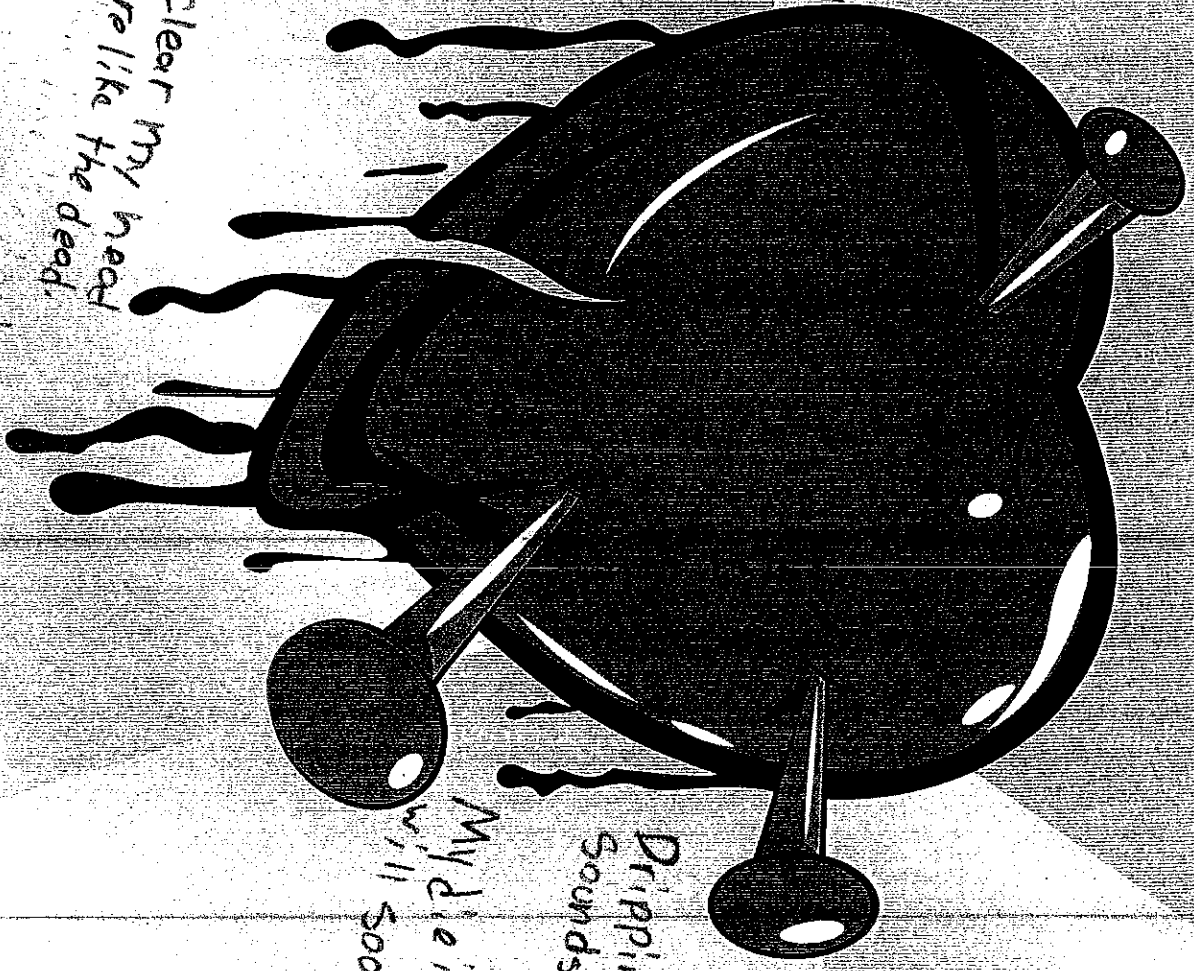

I gone because
im alone.

The Shadows enclosed
The darkness of my
soul.

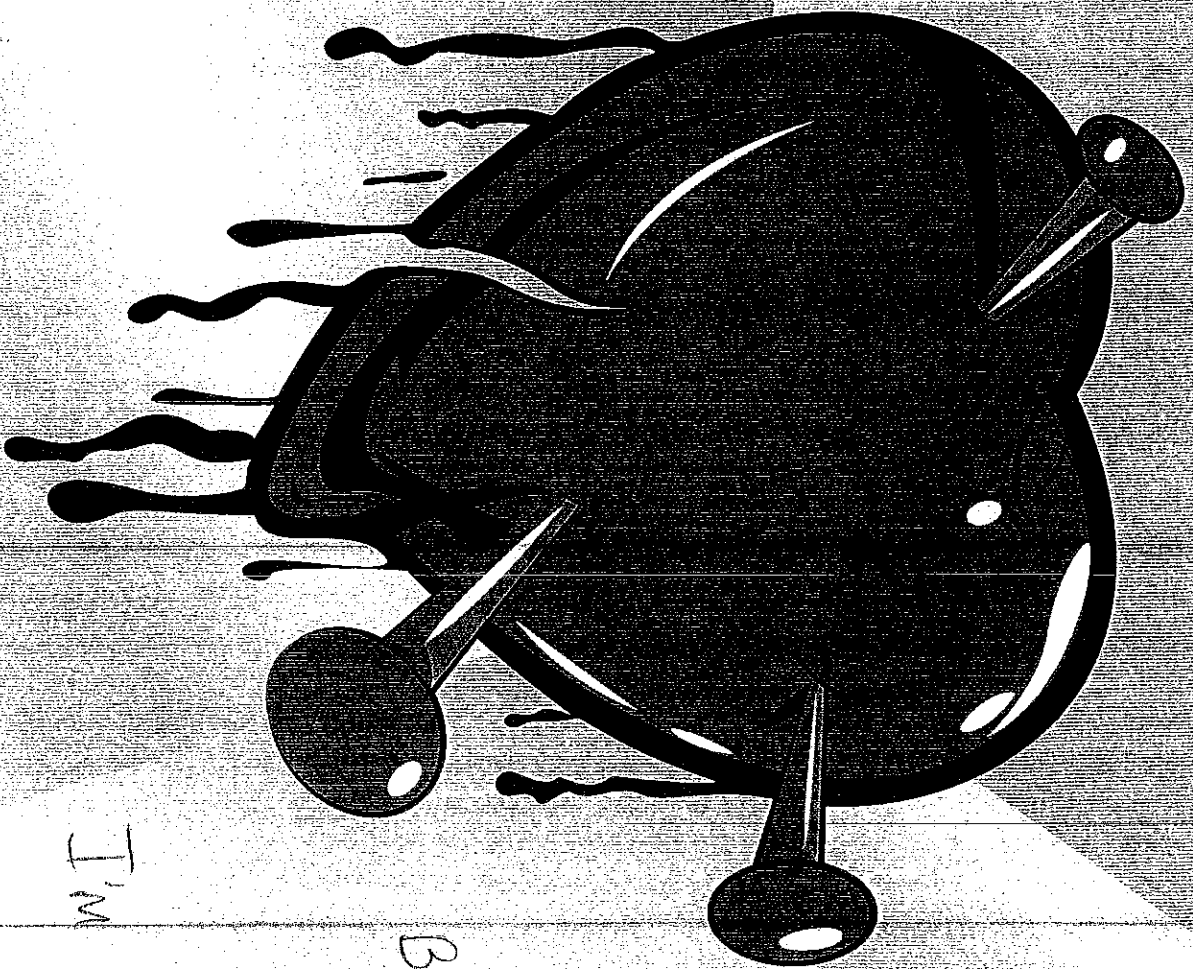

The other side
was there with a
blanke of death.

Wispers clear my head
as i lay there like the dead.

Dripping of blood
sounds of hissing.

My dieing hart
will soon go dark.

Heart breaking
Soul feelin' a

My heart + lovin'
for her holdin'

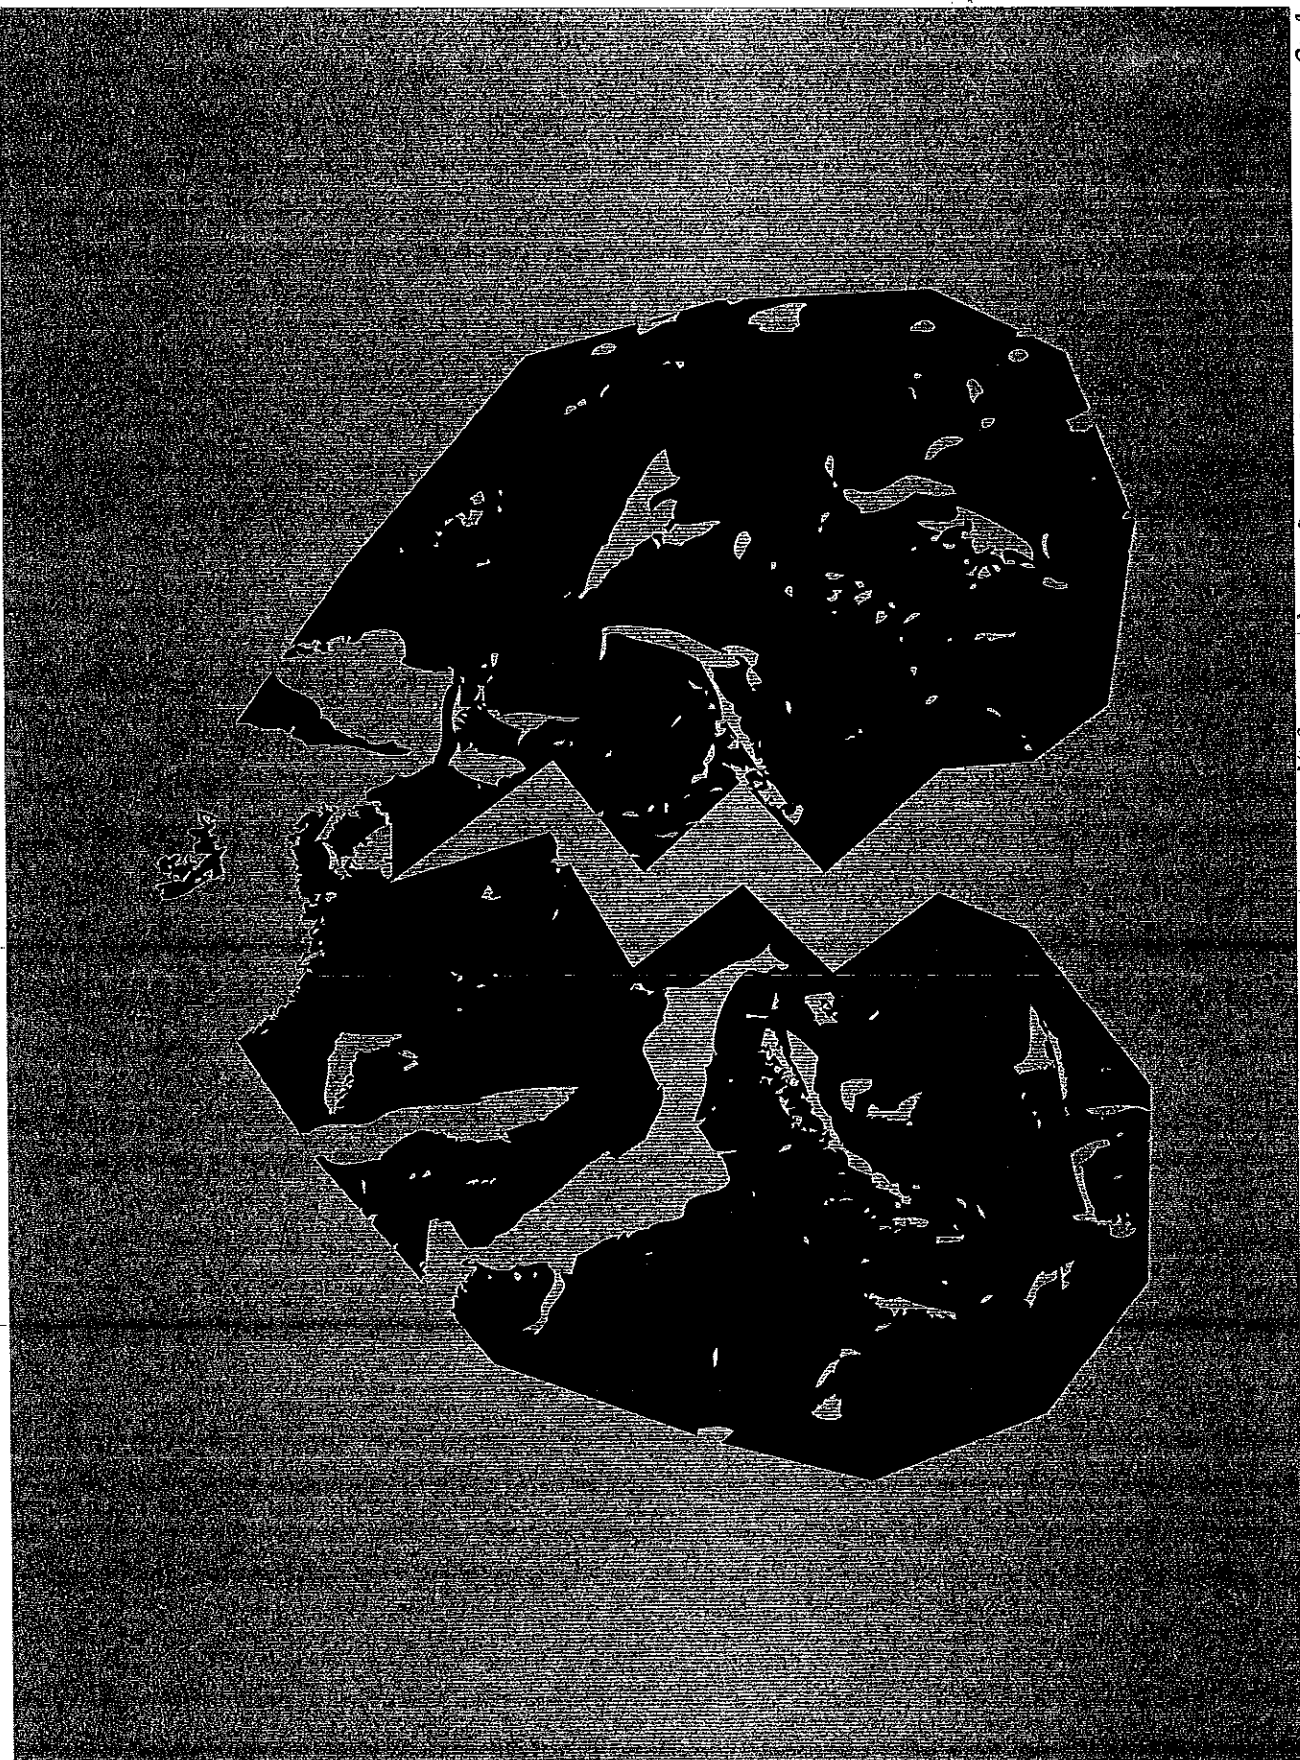

But... her hearts lackin'

For any lovin'

She wants a fix
I'm not ready for the same thing

In the end's
We'll keep friendin'

Andru he IS a neony
me not working to be a cur
his hand before me if all happen
McFandru we bought in a
he Mario a crush he need
me because he raised
by calling he raised a
brush

because his hair
is all tangled he
tried to talk to me
but all I said
was
hush
I didn't
care
anyway
cuz I
can go to seven
Eleen and
buy a
Soka
anyday.

First we're
fighting and yelling
screaming and hounding
running and leaving

Then I'm
crying and weeping
hiding and hurting
healing and forgiving

Now we're
hugging and rejoicing
laughing and smiling
dancing and singing

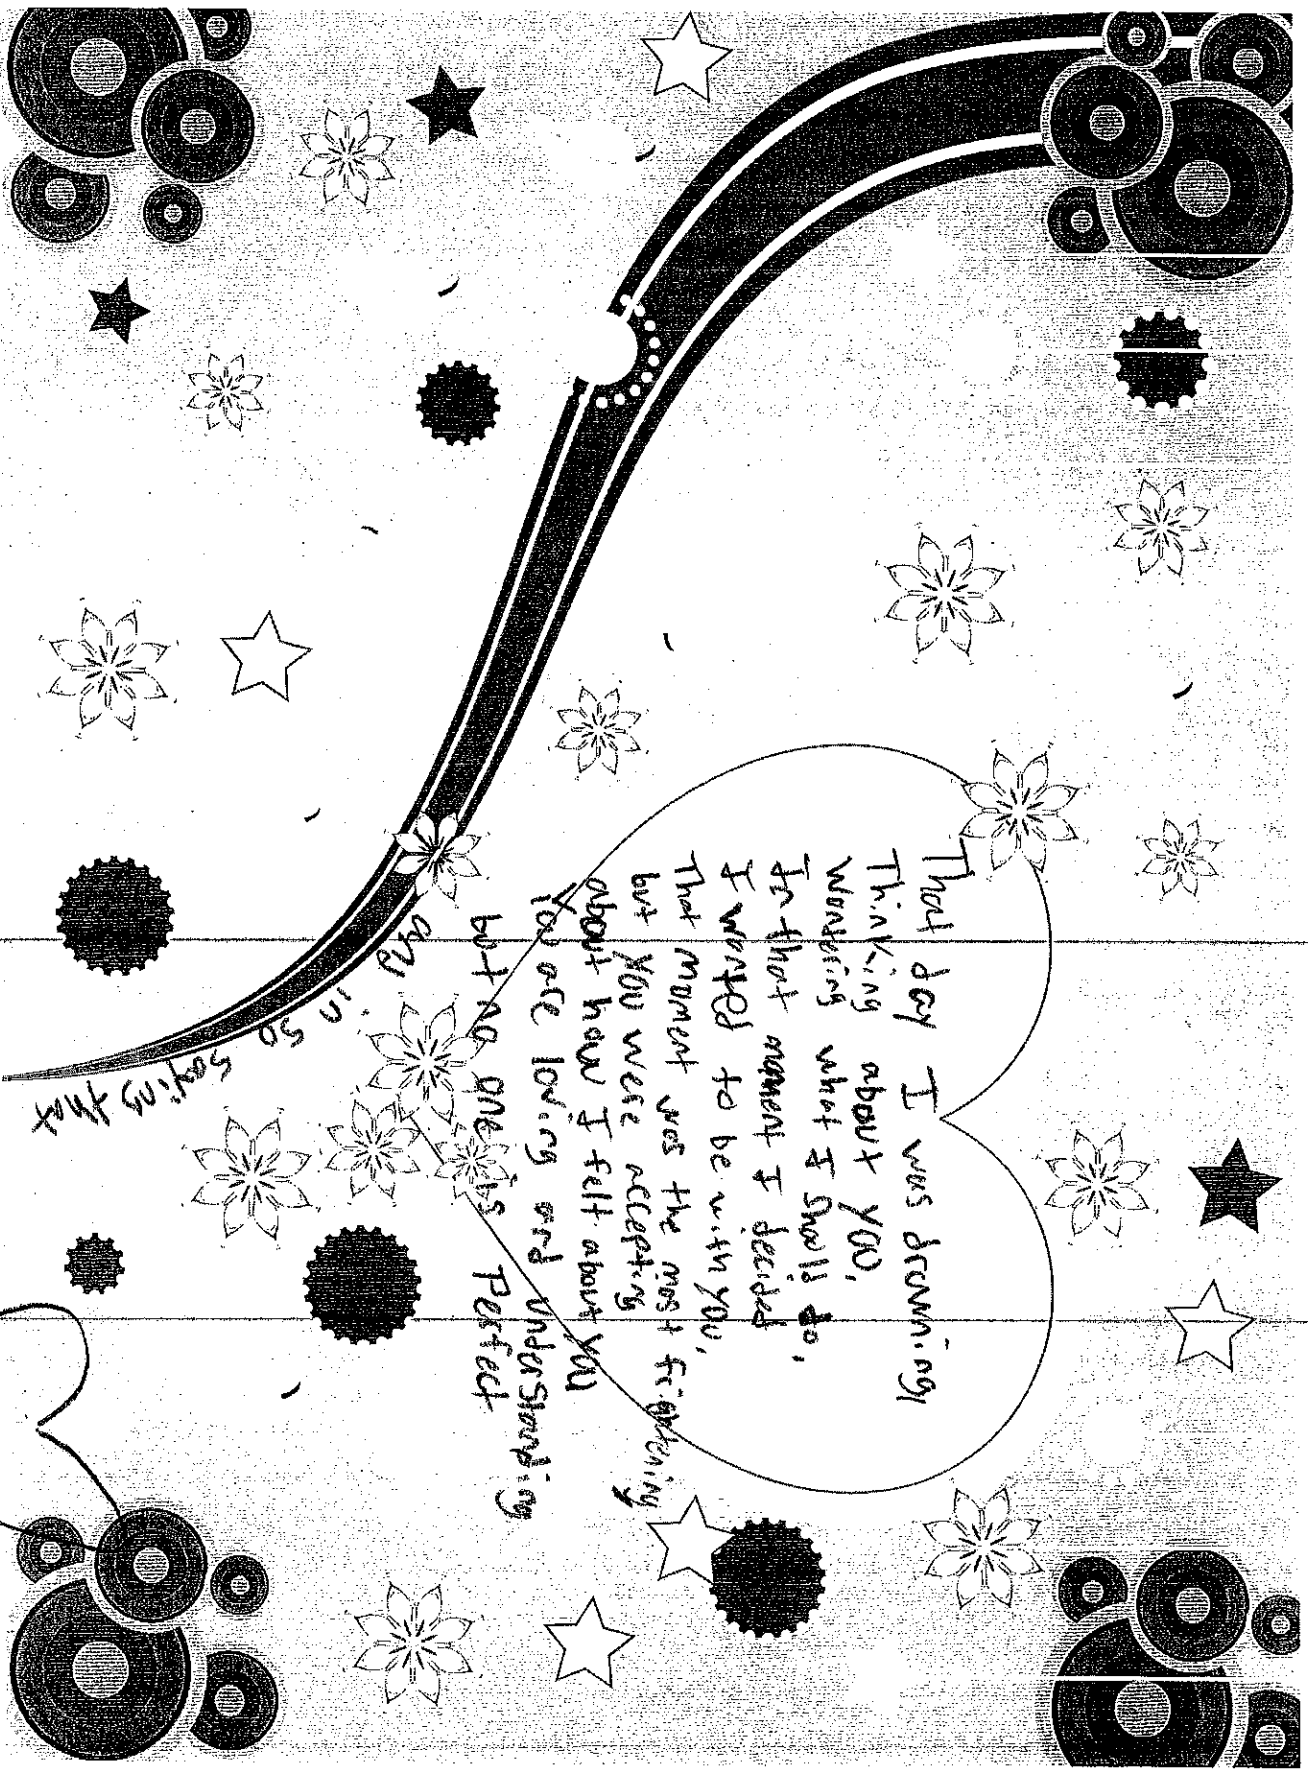

Hating,
Blinding,
unknowingly,
vanishing,
creating,
Thinking,
wedding,
changing,
divorced,
keeping
ending.

The worst day of them all no laughing no loving none for me at all

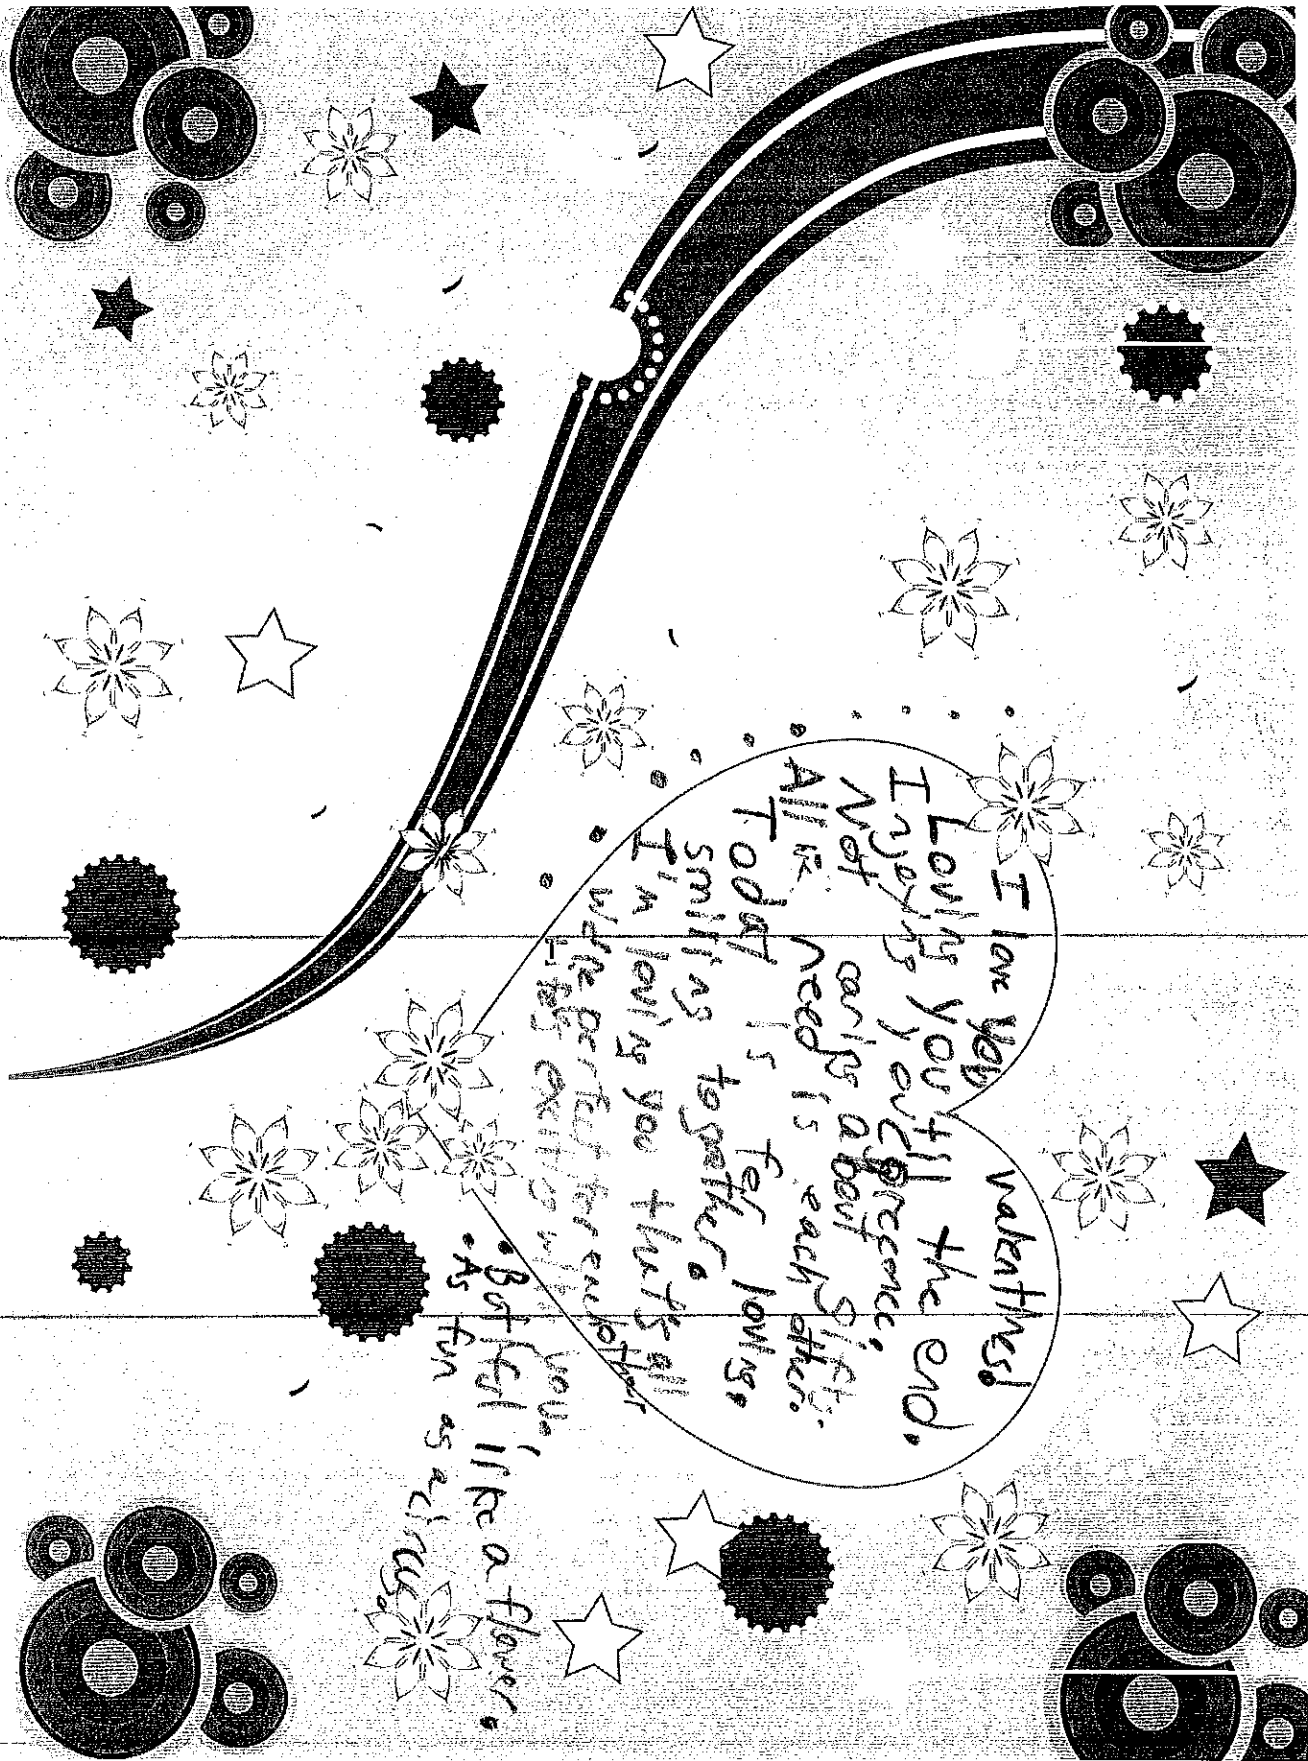

I'm
crying
inside
the walls
are so
deep
im slowly
dying,
and it
feels so
bad
but
my friends
are happy
so i smile
to trying
to make
it I
love for
you &
have nothing
yes everything
is lost
dicks cant
be as bad
as feeling
this kind

That day I was drawing,
Thinking about YOU,
Wondering what I should do,
In that moment I decided
I wanted to be with you,
That moment was the most frightening
but YOU were accepting
about how I felt about YOU
You are loving and understanding
but no one is perfect

saying that
in 50

I love
YOU

I love you
 Loving you till the end,
 Enjoying your presence,
 Not caring about distance,
 All I need is each other.
 Today is for loving,
 smiling together,
 I'm loving you thru it all
 While perfect for ever after
 As fun as a circus.

Bestest like a flower,
 As fun as a circus.
