

Unit 2 Learning Goals-

2. Summarize the accomplishments of prehistoric cultures including the Spiro Mound Builders.
3. Compare and contrast the goals and significance of early Spanish, French, and American expeditions including the impact of disease, interactions with Native Americans, and the arrival of the horse and new technologies.
4. Compare and contrast cultural perspectives of Native Americans and European Americans regarding land ownership and trading practices.

Your task:

You will be divided into teams for this short unit. Each team is responsible for answering their assigned question. Your only resource will be your textbook. Each team must create a key points/notes page, a checkpoint/quiz, and some kind of visual to help teach the rest of the class about your question. The summative assessment for the unit will be an essay to answer each of the questions.
